

MATHARE VALLEY 2010 PARTNERSHIP CARD

Community Church Hornsby desires to continue the funding of children's ministry in the slum area of Mathare Valley, Nairobi through the Mercy Care Centre School project.

The goal for 2010 is to commit at least A\$35,000 on the basis of additional giving by individuals, over and above regular commitments to the various ministries of the church. The funds provide a salary for full time Principal and supplement payment to the other teachers working for very limited wages. There are about 600 pupils who in their circumstances are otherwise unlikely to receive any school education.

In making your commitment, you should:

Do so as a prayerful response to God in love. CCH puts no obligation on you in this matter.

Be confident that you will not be pursued individually on your giving under this commitment. You are free to exit according to circumstances. Expect to receive progress reports on the ministry at least quarterly.

Understand that you will be given the opportunity to review your partnership annually in November. This commitment is for 2010 only.
